

## CASE DEVELOPMENT

1. Briefly describe a specific ethical problem.

---

---

---

---

2. Identify the practitioner who has the ethical problem.

---

---

---

---

3. Specify the ethical principles involved.

---

---

---

---

4. Specify the resolution (What would a 'good' practitioner do?)

---

---

---

---

5. Design an intervention.

---

---

---

---
